

## CHILDREN'S MESSAGE SCHEDULE

Thanks so much for being willing to serve the children of Calvary Church in this ministry. Make sure the microphone is on before you proceed with your message. If you would like to use the idea books, they are located in a black bag on the east end of the coat hanger area off the fellowship hall. Please return them there so the next person has access to them. If for some reason you cannot fill your slot, please try to switch with someone. If that does not work, call Sandy Veenstra, 628-3992. Thanks so much!!!!!!
