

Fellowship Coffee Time List

Dear Members of Calvary Church,

Would you be willing to prepare coffee time prior to the Sunday morning worship service and serve between the worship services on the date indicated on the schedule below? If you are unable to serve on your assigned date, please find a replacement. If you would rather not be involved at this time, please notify Gerrit and Chris Steenhoek at 628-4293.

Please read instructions for coffee-time servers on the South wall of the kitchen. We are asking 1 couple from the coffee-serving committees to stay, serve and clean up for the 11:00 AM service. We appreciate your cooperation in this matter.

Thank you for your help and for exhibiting the gift of hospitality!
